

RMIT Student Guide – Assessment Declaration

All assessments should include a completed and signed cover sheet. Some courses may require you to submit a course-specific cover sheet which will be provided by your School.

Downloading, completing, and uploading your coversheet

1. Access your assessment in Canvas

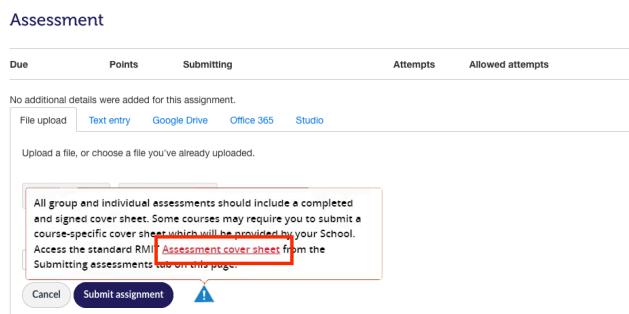

Navigate to the relevant assessment for your course in Canvas.

2. Download your coversheet

You can download the RMIT coversheet directly through the [student website](#). Alternatively your course coordinator may provide you with a course specific coversheet.

NOTE: You will see a handy tool-tip that will link you to this page next to your assignment button.

All group and individual assessments should include a completed and signed cover sheet. Some courses may require you to submit a course-specific cover sheet which will be provided by your School. Access the standard RMIT [Assessment cover sheet](#) from the Submitting assessments tab on this page.

Experienced a technical fault when submitting an online assessment?
We understand that technical issues happen. If possible, take a screenshot of the fault or error message and record the time it happened. Send this information to your teacher to let them know you have had difficulty completing the assessment and then contact [IT Connect](#).
Your teacher will be in touch if you need to take further action.
